

February 2012

Dear Parent

In order to assist students in ensuring that they are well prepared for their examinations, Hurstmere plans to host a three day Easter Revision programme, Wednesday 11th – Friday 13th April inclusive.

The programme will consist of four forty- five minute sessions on each of the three days, running from 0900-1200hrs each day. Within this programme we hope to offer revision sessions in all examination subjects, as well as opportunities for supervised private study. There is no charge for the programme.

Students will not be required to wear school uniform for the programme, but should attend promptly for those mornings to which they have committed themselves. They should bring appropriate books and stationery.

Please indicate on the page overleaf those dates upon which your son will attend, and return the slip to me via the school office, by Wednesday 22nd February.

A detailed list of scheduled subject sessions within the programme will be provided when projected student numbers and staffing availability are secured. Boys will be allocated to specific sessions.

This year's Leavers Day celebration will take place on Tuesday 26th June, enabling students to benefit from lessons until the completion of their examinations. Year 11 classes will only cease upon the final examination in any particular subject. In addition, a private study area will be made available for Year 11 students at all times during the examination period.

The main examination period runs from 14th May until the 25th June. Half term is from Monday 4th June to Friday 8th June inclusive.

On 26th June your son is invited to attend school from 10.00am. An assembly celebrating the group's five years at Hurstmere will be followed by a barbecue. We very much hope that your son will join us on that day, where the traditional 'shirt-signing' may take place.

Any remaining textbooks should be returned to the school foyer on that day.

I take this opportunity to wish your son well for the examinations and the years beyond.

Yours sincerely

G C Stollery
Deputy Headteacher
